

I, _____, will respect the privacy of all participants and keep confidential any information obtained in the restorative justice process, unless otherwise agreed to by all of the participants or required by applicable law.

- I will inform all participants that our final agreement will be shared publicly.
- I will promote understanding among the participants about their duty to maintain confidentiality of information they obtain in a restorative justice process.
- If all of the participants in a restorative justice process agree that I may disclose information obtained during the process, I may do so.
- If I participate in teaching, research or evaluation regarding a restorative justice process, I will protect the anonymity of the participants and abide by their reasonable expectations regarding confidentiality.
- If I meet with participants in private session during a restorative justice process I will not convey directly or indirectly to any other person, any information that was obtained during that private session without the consent of the disclosing person.
- I will report to appropriate authorities when there is a concern for any participant regarding harm to self, others or a new criminal act. I will make this obligation clear to the participants.
